

COASTWIDE®
Medistat
DISINFECTANT SPRAY

Hospital Strength Disinfectant Spray that is Tuberculocidal, Bactericidal, Staphylocidal, Fungicidal, Pseudomonicidal and Virucidal

PRODUCT DESCRIPTION

Coastwide Medistat™ is a phenolic-based, lemon-scented disinfectant that kills Tubercule Bacilli (TB), HIV-1 (AIDS Virus), Polio Virus Types 1 and 2, Influenza A₂/Hong Kong virus and Herpes Simplex Virus Types 1 and 2 on inanimate environmental surfaces. **Coastwide Medistat™** is tuberculocidal, bactericidal, staphylocidal, fungicidal, pseudomonicidal and effective in controlling mold and mildew on hard non-porous surfaces. Effective for use in schools, kitchens, hospitals, day care centers, offices, bathrooms and other public settings. Use to disinfect and deodorize shower curtains, athletic equipment, garbage cans, diaper pails, floors, urinals, walls, handles, telephones, toilet seats and other contaminated surfaces.
