- Powerful cleaner-degreaser formulated as ready to use
- Low foaming to prevent recovery tank clogging
- Pleasant fragrance makes area smell fresh after cleaning
- Outstanding industrial degreaser removes tough greases, oils and other stubborn spills

# STAPLES®

## Triple Power RTU™ Heavy-Duty Cleaner/Degreaser

A breakthrough in surfactant technology has made it possible for one product to be used as a daily floor cleaner, a deep-scrub cleaner, a wax stripper and an industrial-strength cleaner-degreaser. With Triple Power, cleaning professionals are able to clean, deep scrub and strip using a single super concentrate. Dirt and soils are removed, leaving the surface clean and void of unsightly discoloration and residue. Triple Power is also excellent for stainless steel, chrome, Formica®, vinyl, plastic, porcelain, ceramic, quarry, enamel, walls, doors, floors and most washable hard surfaces.
