Business is Better with Corporate Express Brands

Cling™ Washroom Cleaner

Cling™ is a ready-to-use, mild buffered acid mixture with high foaming properties. Excellent as a fast and efficient cleaner for maintenance of shower rooms, washrooms, locker rooms and other similar areas.

Cling™ has been formulated to quickly cut through and remove body oils, soap scum, mineral scales and rust deposits. Simply apply or foam Cling™ onto the surface. Agitate the area with a brush or soft pad and wipe, wash or rinse away the loose residues. It can be used on a wide variety of acid-resistant surfaces such as ceramic tile walls/floors, toilets, urinals, chrome, drinking fountains, concrete, fiberglass surfaces, shower stalls and stainless steel surfaces.
