## Cutter™ Heavy Duty Kitchen Cleaner

Cutter™ is a concentrated, high foaming general purpose grease cutting detergent formulated specifically for use on hard surfaces in areas of food handling, food processing, and food service. Quickly removes animal fat, grease, vegetable oil, blood, smoke film, dirt, soap deposits, light carbon deposits and other problem soils. Cutter™ works effectively on quarry tile, ceramic tile, masonry, stainless steel, plastics and many other hard surfaces found in commercial buildings. Cutter™ rapidly removes soap deposits and body oils from shower room surfaces. Cutter™ rapidly emulsifies, penetrates, suspends and removes the toughest fats, proteins and oils. Clinging foam allows longer contact time on vertical surfaces for more efficient grease cutting.
