

Defoam It™ Defoaming Agent

Liquid defoamer concentrate

MFG #	Description	Size	Units per carton
CEB23032	Defoam It™ Defoaming Agent	Quart	12 QT/CT
CEB2301	Defoam It™ Defoaming Agent	Gallon	4 GL/CT

Features

- Decreases equipment repair costs and prevents vacuum shut down
- Eliminates frequent emptying of foam filled recovery tanks
- Fast acting to rapidly eliminate excessive foam in seconds
- Stable emulsion will not separate like similar products
- Non-corrosive and will not harm equipment
- Phosphate free, no butyl or alkyl phenol ethoxylates
- Effective for recovery tanks in carpet extractors, automatic shampooing equipment and floor scrubbers

Business is Better with Corporate Express Brands

Defoam It™ Defoaming Agent

Defoam It™ is a premium liquid defoamer designed to reduce foam build-up in the recovery tanks of carpet extractors, wet vacuums and automatic scrubbers. Defoam It™ helps reduce repair costs associated with foam damage and labor costs resulting from frequent emptying of recovery tanks. Defoam It™ contains special corrosion inhibitors to avoid damaging metal surfaces. Works in recovery tanks, hoses and tools.

Physical Data

Physical form: stable white silicone liquid emulsion

Odor: ultra low

Use diluted pH: 7.0

Freeze/thaw stability: 3 cycles

Shelf life: 2 years in original unopened container

Phosphates: none

Biodegradable: yes

Solubility in water: miscible

Corrosion inhibitors: yes

Flash point: none

Performance Data

Dilution ratio: 1 oz. per tank

Efficiency: rapidly eliminates foam

Carpet extractors: instant elimination of foam in recovery tanks

Soil extractors: instant elimination of foam in recovery tanks

Automatic shampoos: instant elimination of foam in recovery tanks

Floor scrubbers: instant elimination of foam in recovery tanks

Dispersion in water: rapid in cold or hot water and does not separate

Corrosion resistance: excellent. Non-corrosive and will not harm equipment

Foam knockdown: superior
