Business is Better with Corporate Express Brands

Grease Lightning™ Heavy Duty Alkaline Cleaner

Grease Lightning™ is designed for the heaviest of all cleaning jobs in industrial facilities. Easily removes fats, oils, waxes, inks and greases commonly found in manufacturing plants, food processing plants and warehouses. These oils and residues are the most difficult to remove because they often are formed from heavy duty oils or have been thermally deposited on the surface. Grease Lightning™ is highly concentrated for use in autoscrubbers, pressure washers and steam cleaners and contains modern corrosion inhibitors to protect equipment.

Physical Data

Physical form: green liquid
Odor: bland
pH concentrate range: 12.5
Shelf life: 2 years in original container
Freeze/thaw stability: 2 full cycles
Phosphates: none
Surfactant biodegradability: complete
Solubility in water: complete
Flash point (coc): nonflammable

Performance Data

Dilution ratio: 1:128
Damp mopping kitchen floors: outstanding
Animal fat and food soils removal: outstanding
Permanent marker ink removal: outstanding
Automotive parts cleaning: outstanding
Crayon, ballpoint pen & pencil removal: outstanding
Oil spill cleanup on concrete: outstanding
Bilge cleaning: outstanding
Brake fluids, transmission fluids: excellent
Gasoline and motor oil: excellent
