

Linoleum Stripper™

The powerful, ultra low odor wax/finish stripper for fast removal of sealers and finishes from linoleum and linoleum-type floors

MFG #	Description	Size	Units per carton
CEB3711	Linoleum Stripper™	Carton	4 GL/CT

Features

- Dilutes 1:4
- Use on linoleum or Marmoleum® floors
- Ultra low odor makes it pleasant to use
- Rapid penetration and liquefaction of finish
- Works fast even in cool water
- Low foaming in recovery tanks
- Can also be used as a mop on and mop off stripper
- Mop on, leave for 10-15 minutes and mop away finish from linoleum
- Contains no ammonia, 2-butoxyethanol (butyl) or alkyl phenol ethoxylates

Business is Better with Corporate Express Brands

Linoleum Stripper™

This powerful wax and finish stripper has been formulated without butyl, petroleum solvents, terpenes, aromatic solvents, ammonia and other volatile chemicals that can produce annoying odors and damage linoleum and linoleum type floors. Linoleum Stripper™ is a fast acting formula that quickly penetrates and completely liquefies multiple layers of floor finish, wax and water-based seals, with no rinsing required. Linoleum Stripper™ can handle the tough job of removing wax and finish without damaging chemical sensitive linoleum.

Physical Data

Physical form: colorless
Odor: pleasant
pH: 11.5
Foam level: low
Shelf life: 2 years in unopened original container
Hard water tolerance: effective in hard water in excess of 400 ppm (24 grains) as calcium carbonate

Performance Data

Dilution ratio: 1:4
Wetting: shows uniform wetting of surface when applied
Deleterious effects: no discoloration or softening of linoleum, marmoleum® or vc tile when used as directed
Freeze stability: returns completely upon thaw
Stability: no separation after 24 hours exposure to 100° f
Foam: foam dissipates instantly when 1:4 dilution is agitated in a bottle
Finish removal: rapidly removes heavy build-ups of finish, sealer and wax
Alkali residue: alkali is minimal. No neutralization is required before applying finish
