## Orange Oil Polish™ Multi-Surface Polish

Coastwide Orange Oil Polish™ works on Formica®, furniture, leather, metal, paneling, plastic, vinyl and woodwork to clean and remove soils, oils, fingerprints, stains, grease, smudges, wax build-up and dust. Conditions, re-moisturizes and protects fine woods without silicone or wax buildups. Made with orange oil and other natural oils to nourish and protect the finest wood. Cleans and renews the luster on all types of paneling, baseboards and wood trim. Coastwide Orange Oil Polish™ quickly, easily and safely eliminates smudges, finger marks, dirt and dust. Hides minor scratches and scuffs. Simply apply and wipe away soils leaving a nice looking furniture surface. Brings back the color in some woods and finishes without damaging the surface.
