Ultra Break™

COMMERCIAL STRENGTH POWDERED LAUNDRY BREAK

Commercial Strength Powdered Laundry Break to Boost Soil and Grease Removal

PRODUCT DESCRIPTION

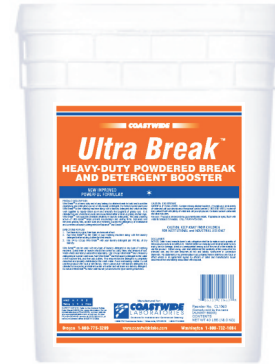

Ultra Break™ is a heavy duty and a long lasting dry alkaline break to build and boost the degreasing and detergency power of any laundry detergent. For heavily soiled loads add Ultra Break™ to the washing machine along with a laundry detergent and watch as they work together to rapidly break down and emulsify the toughest of greasy soil. It is intended for use where heavy soils are encountered either in linen or greasy kitchen rags. Ultra Break™ will boost the available alkalinity in laundry detergents. The deep cleaning action of Ultra Break™ helps prevent discoloration and dulling films. Dissolves and removes grease, fats, protein soils and minerals. Boosts the detergency of institutional and commercial laundry detergents like Radiance™ and Dazzle™.

DIRECTIONS FOR USE

1. Sort laundry by color, fiber type, and amount of soil.
2. Add Ultra Break™ to the water in your washing machine along with the laundry detergent before adding clothes for best results.
3. Use 1/4 to 1/2 cup Ultra Break™ with your laundry detergent per 100 lbs. of dry laundry.

SPECIAL FEATURES

- Contains sodium hydroxide and sodium metasilicate to provide a double boost
- Rapidly dissolves in water
- Quickly dissolves greases and oils from cotton wipers
- Concentrated to save time and money – 1/4 cup per 100 lbs of dry laundry will more than triple the available alkali in your laundry detergent
- Substantially boosts available alkali in laundry detergents to remove the toughest soils
- Formulated to be compatible with most powdered or liquid laundry detergents
- Three powerful alkalis are combined to remove the toughest of soils and grease
- Contains a built-in corrosion inhibitor
- Packaged in environmentally responsible recyclable container

PACKAGE SIZES

CL1963 40 LB Plastic Pails ONLY

PHYSICAL DATA

Physical Form	White granular powder
Fragrance	Mild
pH (1%)	11-12
Specific Gravity	NA
Foam Level	None
Shelf Life	2 years in original container
Freeze/Thaw Stability	2 full freeze-thaw cycles
Phosphates	None
Solubility in Water	Miscible

PERFORMANCE DATA

Removal of clay soils	Outstanding
Removal of protein food residues	Outstanding
Removal of grease from fabric blends	Outstanding
Removal of oils from cotton fabric	Outstanding
Saponification of kitchen grease	Outstanding
Emulsification of fatty acids	Outstanding
Removal of motor oil on cotton wipers	Outstanding
