# Clean All™

UNIVERSAL GENERAL PURPOSE CLEANER

## Unique Cleaner and Degreaser for Common Soils and Surfaces

### PRODUCT DESCRIPTION

Clean All™ is a unique, highly concentrated, fast acting, universally compatible cleaner for a wide variety of soils and surfaces not harmed by water. An excellent carpet spotter and traffic lane cleaner, Clean All™ is also an excellent heavy-duty degreaser and a thorough general purpose cleaner for floors, fixtures, walls and windows. It's the only cleaner to have if you could have only one. It will cut through tough grease and film without the nasty smell of ammonia or butyl solvents. Ideal for desks, counters, walls, fixtures, floors, partitions, and other hard surfaces like chrome, stainless steel, table tops, desk tops, filing cabinets, plastic laminated surfaces and any painted surface not harmed by water. Places Where Clean All™ Can Be Used: Schools, Office Buildings, Hospitals, Banks, Motels, Resorts, Showrooms, Private Clubs, Churches, Department Stores, Malls, Airports, Jewelry Stores, Showcases, Stained Glass Windows, Bridal Shops, Countertops, Entrance glass, TV Screens, Computer Monitor and Fluorescent Light Tubes and Fixtures.

### SPECIAL FEATURES

- Highly concentrated to provide maximum cost savings.
- Powerful formulation removes tough soils from nearly ALL surfaces not harmed by water.
- Low odor fragrance.
- Leaves surfaces clean and film free.
- All the cleaning benefits of butyl without the potential adverse health effects.
- Biodegradable surfactants.
- USDA authorized for meat and poultry plants.
- Cuts through grease, soot, animal fats and other hard to remove soils.
- Removes tough soils like crayons, inks, pencil marks and blackmarks.
- Designed for use in a variety of applications including autoscrubbers and pressure washers.
