Clean Sheen™

STAINLESS STEEL CLEANER AND POLISH

Water-Based Cleaner & Polish Formulated Without Silicone or Petroleum Distillates

PRODUCT DESCRIPTION

Clean Sheen™ is a versatile cleaner and polish for a wide variety of surfaces including stainless steel, chrome and other non-porous water washable surfaces. Wetting agents and vegetable based solvents provide outstanding cleaning efficiency. Clean Sheen™ quickly removes fingerprints, grease, oil, coffee and food spills, ink and even heavy buildups of grime. It leaves a non-greasy protective finish that resists fingerprints, stains and watermarks. It is formulated without silicones and petroleum distillates to help sustain our environment. It will effectively clean, polish and protect stainless steel fixtures, dispensers, housekeeping carts, escalators, postage meters, drinking fountains, sinks, counters, partitions and other non-porous washable surfaces.

SPECIAL FEATURES

- Leaves no oily film.
- Powerful formulation removes tough soils from nearly ALL surfaces not harmed by water.
- Low odor fragrance.
- Leaves surfaces clean and shiny.
- Easy spray and wipe application.
- Vegetable based ingredients.
- USDA authorized for meat and poultry plants.
- Cuts through grease, soot, animal fats and other hard to remove soils.
- Inhibits hand prints, fingermarks and smudges from body oils.
- Less expensive than aerosols.
- No slippery silicones or petroleum oils.

PACKAGE SIZES

- PR31532 12-1 quart case
PR3151 4-1 gallon case
