Spray Gloss™

SPRAY BUFF FOR FLOORS

The Ready-to-Use Spray Buff for Use on Finishes Maintained with High Speed and UHS Equipment

PRODUCT DESCRIPTION

Spray Gloss™ is a water-based spray polish and cleaner designed to be used as a regular maintenance product. It is excellent for all composition, stone, marble, terrazzo, and resilient floorings. Use with spray applicators and buffing machines equipped with the appropriate floor pad or brush. Designed to buff out scuff and wear marks from floors. Frequent use of this product will significantly improve the look of your floor without building up finish coats. This ready-to-use spray buff will produce a brilliant gloss with conventional or high speed burnishing equipment. One gallon generally covers over 10,000 square feet when sprayed lightly onto the floor and followed with buffing or burnishing.

SPECIAL FEATURES

- Low odor water-based formula.
- UL listed as to slip resistance.
- Universally compatible with most sealers and finishes.
- Coverage 10,000 square feet per gallon.
- Unsurpassed buffability response.
- Excellent water and chemical resistance.
- Resists black marking.
- Excellent soil resistance.
- Does not build up.
- Easily removed with conventional wax strippers.
- Improves water resistance of most finishes.
