

**COASTWIDE**

# Gum Off

**CHEWING GUM REMOVER**

**Effective For Removal Of Chewing Gum, Candle Wax,  
Putty And Other Gummy Substances**

### PRODUCT DESCRIPTION

**Coastwide Gum Off™** easily removes chewing gum, candle wax, putty and other gummy substances from a variety of surfaces. It makes the messy job quick and neat by freezing the substance to approximately -40°F so it can be cracked and removed. **Coastwide Gum Off™** works fast and easily so there is no staining or chemical residue left behind. It contains no ozone depleting chemicals. Care should be used when applying this product to prevent exposure to human skin. It can cause frostbite if sprayed on skin. Use on chairs, carpet, furniture, draperies, floors, clothes and upholstery.

### SPECIAL FEATURES

- Convenient ready-to-use package
- Contains no ozone depleting chemicals
- Odorless
- Leaves no residues
- Freezes to minus 40 degrees F
- Spray on and chip away the hardened substance
